

FLORENCE

Florence became known as the commercial center for regional agriculture and mining operations soon after its establishment in 1866. From that

time on, Main Street has been a hub of activity and the heart of the Florence community. The laid-back charm and authentic small town appeal of Main Street offers a unique experience for shopping, dining, and strolling along the quaint sidewalks of downtown.

The Florence Main Street Program

compiled this business directory to provide an easy reference of businesses and organizations located on Main Street. The Main Street Program is a volunteer organization that works to improve the social and economic vitality of downtown Florence.
